

## Volunteer Opportunity

The CSA strives to serve students and families with a supportive musical community. Many of you are active with fundraising, attending concerts and lessons with your children. However, the organization itself requires many hours of volunteer service in order to provide reasonable lesson fees and workshops that enhance music skills for our students. We are asking that all parents further support our program by committing to **at least four hours** of service to a CSA task throughout the year. Please identify what type of volunteer activity would interest you by checking a box and signing below. Thank you in advance for your support!
