September 2008

Welcome Back!!

We hope everyone has enjoyed a relaxing summer and is ready to roll again this fall!

On Monday, September 8th we will have our Parent Meeting from 6:00-6:30pm at Mackinaw Trail Middle School, Room 450. This Parent meeting is ONLY for those that are new to the CSA. We will have a short orientation you will have a chance to ask questions of the board and instructors.

From 6:30-8:00pm on Monday September 8th, we are having our first workshop of the year. Instrument maker and repairman, Tim Jansma, will be here to go over how instruments are made and review proper instrument maintenance, among other things. This is REQUIRED for all students/parents and will be in place of group lessons for the evening.

If you have any questions about the New Parent Meeting or the Instrument Maintenance Workshop, please contact Jenny.

Advertising Fundraiser

The information for the Advertising Fundraiser will be distributed at the workshop on Sept. 8th. Each family is asked to solicit ads from area businesses, family, and friends to be included in our concert programs. The ads will be in both the November and the May concert programs for the Cadillac String Association and the Cadillac Area Youth Orchestra. If you would like to purchase an ad as a "congratulations" or "well-done" for your child, you may do so. Just print clearly the message you would like to appear in the program. Another idea: if your child's group class would like to put a message in the ad, you may purchase space for that. In the past the youth orchestra kids have done something similar with all the students in a particular section signing their names. Jenny has sample programs from last year if you would like to see one or take one with you to show to those that you are asking to support the CSA.

Please remember that all ads and money are due Monday, October 6th. Also, please make sure that any business cards or other artwork for ads is not stapled or folded. When the artwork is scanned, sometimes the holes from staples and the folds can show. This deadline is important to make sure that we have enough time to put the program together and have it printed.

Calendar

This space will be reserved for the calendar. For this month, please see the updated calendar that is attached.
